

Dear Community Members,

To do our part in helping with the community's efforts to keep everyone safe, we are closing our main office and property resident manager offices to the public until further notice.

We are still open for business, however, and our staff will respond to questions and inquiries via phone and email.

We will provide status updates as they become available via www.nwalaska.org and <https://www.facebook.com/NeighborWorksAlaska/>

For information about COVID-19 and the Municipality's ongoing response go to www.muni.org or call 2-1-1.

NeighborWorks Alaska is committed to doing all we can to keep our residents, customers, staff, and community as safe as possible!

Sincerely,

NeighborWorks Alaska Staff & Board
